# Secret<sup>RF</sup> Micro-needle Fractional RF System

## Combination treatment with Lunar-N

SECRET RF enables to treat even deep lesion efficiently without side effects since it can be adjusted to 3.5mm depth by 0.1mm step. It is applied for Striae distensae, wrinkles on the neck, wrinkles on the back of hands, furrows on the forehead.

Combination SECRET RF and Lunar N, it will maximize the effect of the therapy and prevents lots of troubles that may occur after the treatment, which enable to approach beyond the simple Vitamin C penetration for whitening by Iontophoresis.
